

SYSTEM IMPROVEMENT – QUARTER ALLOTMENT PROCEDURE

I. WAITING LIST:

The present Waiting List is old and outdated as the registration for Change and Fresh have been made with multiple choices of Station/Colony/Building/Floor/Specific Quarter Numbers etc. This has led to a long waiting period during which many of the buildings/quarters preferred by the employees either don't fall vacant or are regularized in the name of the dependent or are declared unsafe and thus demolished, leading to non-allotment of any quarter and the names remaining in the Waiting List forever.

In order to rationalise the Waiting List and allot vacant quarters in a quicker and better manner, a decision has been taken to notify the Waiting Lists (Fresh and Change) of all Types and Pools through E-Karmik (Notice period of one month from date of issue), for reviewing their willingness/choices and calling for re-registration of the name noted employees who are still interested in a railway quarter.

Re-registration should be done only through E-Karmik.

It may be noted that if an employee does not respond to the Notification and does not re-register through E-Karmik, it will be assumed that he/she is no more interested in obtaining a quarter and his/her name will be struck off from the Waiting List.

If the employees maintain the same options of station/colony/quarters as their old applications or reduce their choice to a lesser number out of their previous requests, their previous/old Waiting List number will stand good. In case of change of options or increase in number of choices, their name will be registered as new and they will lose their seniority. Employees are also free to register their options as "ANY", in case of which their seniority in the Waiting List will be maintained.

II. MEDICALLY DECATEGORIZED/DEPARTMENTAL TRANSFER :

In case an employee has registered his/her name for allotment of quarter, and later is medically decategorized or opts for a transfer, thus getting transferred from one Pool to another, he/she will have to submit an application with relevant documents stating the same. The application will be put up to the Competent Authority and on approval, his/her name will be interpolated in the Waiting List of that particular Pool according to the initial date of registration.

III. ALLOTMENT PROCEDURE:

A. The format of the applications (Fresh & Change) uploaded in E-Karmik will be revised and limited options 05 colonies choices with option to give remarks regarding floor/quarter will be allowed. Employees can also opt for "ANY", and such applicants will be allotted any vacant quarter as per turn starting from CCG towards VR end (i.e. if ADH and DIC qtr are vacant and employee has opted for "ANY" then he will get ADH quarter).

B. The 04 Pools are as under:

1. Running Pool
2. Essential Pool
3. Non-Essential Pool
4. Type I Merged Pool

A list of the various designations/categories classified under each pool is provided.

The ones mentioned at Sr No 1, 2 & 3 above have separate waiting lists (Change & Fresh) for Type II, III & IV and the one mentioned at Sr No 4 has a separate waiting list for Change and Fresh.

Note: In addition to the above, there exists a "Carshed VR Pool", the Waiting List and allotment of quarter of which is maintained by Sr DEE(RS)VR. Employees working under Sr DEE(RS)VR may register their names in the Waiting List maintained at Carshed VR.

C. Type-Wise Eligibility:

Sr No	Description	Type
1	Staff with GP equal to or less than Rs. 1800	Type I
2	Staff with GP more than Rs. 1800 and upto 2400	Type II
3	Staff with GP more than Rs. 2400 and upto Rs. 4200	Type III
4	Staff with GP more than Rs. 4200	Type IV

D. Allotment Order will be uploaded on E-Karmik at the earliest so that the allottees have sufficient time to occupy the allotted quarters, and if the quarters are not occupied by the end of the month, the allotment order will be cancelled and these quarters will be allotted to other employees during the next HCM. Once quarter is allotted, name will be struck off from the Waiting List. On occupying a quarter the employee can register for change of quarter of same Type.

Note: Request for same Type will be considered as Change and request for higher Type will be considered as fresh.

E. Employees whose lien is maintained by Division, but cannot register through E-Karmik as their I-Pass details are not available with Division, can now register their names through E-Karmik in the heading mentioned as "NON MMCT DIVN".

However, it may be ensured that a forwarding letter from their respective Supervisor is also uploaded, failing which the application will be deemed disqualified.

If an employee registers his quarter application in wrong Pool or quarter Type, his application will be deemed disqualified. Please refer to Point "B" for Pool & Point "C" for Type Eligibility.

IV. APPLICATIONS FOR RETENTION/REGULARIZATION/SHARING OF QUARTERS:

All applications for Retention/Regularization/Sharing of quarters, whether from Serving Staff or retired Staff should be registered only through E-Karmik. No physical applications will be accepted henceforth

V. No quarter allotment request of any staff belonging to outside division pool will be entertained in Housing Committee.
